Hey EPIC Family, just a reminder that we have tryouts coming up on the 26th of January. For our returning players we would like to reward you with a discounted Deposit fee. In order to receive the \$100 discount off of the registration deposit you must complete the "Uniform / Roster Holding Fee" (\$300). The "Uniform / Roster Holding Fee" solidifies your players roster spot on the team and covers all of their uniform requirements for the season. The "Uniform / Roster Holding Fee" must be completed on or before January 27th to receive the early bird credits!

*Please note that the "Uniform / Roster Holding Fee" is a nonrefundable fee that is NOT included in the tuition. Meaning that this fee will not deduct any monies for the tuition / dues for the upcoming season.
